Course Approval Form
Undergraduate Program in Sustainable Development

Your application for a course approval should consist of this form with the appropriate signature(s) obtained as well as an attached page providing detailed and specific responses to both parts of question #4 and the course syllabus. If you are seeking approval for an elective, you must obtain your faculty advisor’s signature of approval in addition to the administration signature of approval. If you are seeking approval for all other program requirements, you must only obtain the administration signature approval.

All forms must be returned to Jessica Sotomayor either in person at Hogan Hall Level B, 2910 Broadway, or via e-mail at jsotomayor@ei.columbia.edu. Reviews are completed on a monthly basis and your decision will be e-mailed to you. Course approval submissions will not be accepted beyond the first semester of your senior year.
